Customer Service in the New Normal	Compilation of ideas from experts where we can lead and apply to our own
Coping with Change	Librarians' resilience is commendable.
That is why they rise whatever comes their way.	
This presentation shows how they cope and manage where the only thing constant is change.	
Dionisio Tuapin	pdf
Doing more with less:	
library program ideas	Pandemic won't hinder libraries to provide innovative services to their patrons.
This short presentation	shares services and programs practiced by libraries around the world!
Lyra Ilagan	pdf
