

Reference Services

Library patrons are given the opportunity to seek librarians help for resources and other research needs.

Virtual Help

Library patrons both on-campus and off-campus research inquiries through the library website using chat.

Bibliographic Verification

Library patrons may personally approach the reference librarian at the help desk at the main lobby of the library.

Current Awareness Services

Library news and updates are circulated using e-board, library website, Facebook, and mailing lists. Newsletters are also available.

Library Orientation

New faculty members and students are given library orientation for them to have a general background on library services.

Library Seminar and Workshops

The library regularly holds seminars and workshops covering different topics with the goal of equipping our patrons with the latest information.

Library Instruction

Librarians regularly host instruction sessions with appointments for research classes, where comprehensive instruction is provided.

Library Tutorials

The library offers individualized tutorials about the use of library resources and services. Online tutorials are also available. Note: Tutorials are available for all library services.

Inter-library Loan & Referral

Inter-library Loan is an extended service request to libraries providing hard-to-find materials. Materials may also be referred to other libraries for purchase or loan.
