

Below are tutorials that will help you find and use the Library resources.

Virtual Library Tour & Orientation

[Leslie Hardinge Library Overview](#)

[Library Orientation](#)

[Library Skills: Sources of Information, Evaluation of Sources, & Search Strategies](#)

How to Use Online Public Access Catalog (OPAC)

- [How to Search the Online Catalog](#)

The Online Public Access Catalog (OPAC) helps the patrons locate library resources. OPAC shows the resource location, availability, and bibliographic information.

- [How to Renew Books Online](#)

The Leslie Hardinge Library allows you to renew books online. This tutorial helps you to do it with the use of your ALLAS account. Make sure you activated your account at the circulation desk before trying to renew books online.

- [How to Place Hold Online](#)

Resources you need might have been borrowed by other patrons. If you wish to be the next person to borrow those checked out items, this tutorial tells you how to do it.

- [How to Find Academic Reserves](#)

These are resources requested for reserve by faculty for specific courses.

- [How to Create and Save List](#)

This feature helps patrons collect titles and resources that is related to their desired topic.

How to Access Ebooks

- [Amazon Kindle](#)
- [EBSCO Ebooks](#)
- [Oxford Ebooks](#)
- [ProQuest Ebook Central](#)

[How to access the ALLAS Online Repository](#)

[How to access OpenAthens](#)

How to Use Online Databases

[EBSCO Databases](#)

The library is subscribed to EBSCO databases which include Academic Search Complete and ATLA Religion/ATLASerials. This tutorial gives you a general background of finding articles using the EBSCO interface.

[Proquest Databases](#)

The library is subscribed to a number of ProQuest Databases which includes ABI/Inform Global, Religion, and Dissertation and Thesis. This tutorial gives you a general background of finding articles using the ProQuest interface.
